DECEMBER 21ST 9AM

Tom Petty And The Heartbreakers have been embraced by “The Rock” – Newfoundland and Labrador Canada, with their St. John’s Mile One Centre June 3rd performance selling out in literally less than 5 minutes, setting a record for selling out a concert at the venue.

Tom Petty And The Heartbreakers now set their sights on the Maritimes, and the Halifax Metro Centre. It’s been a bit of a wait for the Maritime Tom Petty And The Heartbreakers fans, but we all know, the wait will be worth it.
